Dear Neighbor,

GFWC-IL Woman's Club of Kankakee has initiated a project to honor our former Governors, three of which are from the City of Kankakee; Len Small, Samuel H. Shapiro and George H. Ryan. Our goal is to bring people to our community to see a one-of-a-kind tribute in the State of Illinois if not the country.

In partnership with the Kankakee Valley Park District, we are planning life size bronze statues of each governor to be placed at KVPD's Bird's Park District, (Corner of Wall and Court St.), one of the busiest intersections in the county. Lambert Monument has been secured to design and build the statues.

We are working with different groups in the area and members of each family. Any help you can give us will be appreciated.

There are different levels of donations:

Diamond (over \$10,000)
Gold (\$5,000-\$10,000)
Silver (\$2,500-\$5,000)
Bronze (\$250-\$2,500)
Patron (under \$250)

Minimum of \$250 to be included in the donor's plaque.

Checks can be made payable to GFWC-IL Woman's Club of Kankakee, Please fill out form attached.

Thank you for their helping us reach our goals. Thank you in advance for your donation.

With Kind Regards,

Dondi Maricle
